

Promotions Secretary's report.

Thank you to everyone that has contributed to the newsletters this year, without your generous contributions there would be very little content!

The date for the Family Fun Day 2017 will be confirmed shortly, this is an event which continues to be a success, now in its third year we are looking to get even more people to attend. We will be holding the fun day at a new location and there will be a twist this year. Keep an eye on your inbox and the society facebook page!

Additionally please put Sunday 5 November 2017 in your diaries because the President's Lunch will be held at Longcliffe Golf Club.

I look forward to seeing you at the first Member's Meeting of the 2017/2018 season at Vipers RFC on Monday 21 August 2017.

Kind regards

Josh Burgess

LSRUR Promotions Secretary
