POST MATCH

A fuller response to the following question would be appreciated: _

Were the venue and time taken for the debrief suitable to you?
Did your Assessor have an understanding of the match, it's key elements and challenge to you?
Did you have the opportunity to put across your views? Did the Assessor listen, appreciate and understand them?
Did the written report accurately reflect the debrief? If not, where was the discrepancy?
Where do you think that your Assessor may need development?

Please forward in confidence to Geoff Blackburn.
