## Christmas Rugby

## Match

Sunday 3<sup>rd</sup> Jan

*Hosted by*

**Aylestone Athletic RFC**

**Victoria Park, 2.30 Kick off**

We would like to invite any and all as **players or spectators** to a fund raising match for Rob, an x player who sustained serious injuries when hit by a car in the City last year. The Aylestone Athletic players have been looking for some way to help, as have his brother and dad's fire service colleagues. So we will be playing the match and then **raffling a signed Tigers shirt** to raise money for Rob who, health permitting, is hoping to attend.

*Festive Food and Drink to be served in the 'Old Horse' London Road after the game where the draw will be held. Contact any member of the club via the pub for further details..*
