

Leicestershire Society of Rugby Union Referees

February 2018

The members' meeting took place on Monday 26 February 2018 at Belgrave RFC, Tom Brucciani delivered a very insightful session on Materiality.

Dates for your diary:

Thursday 8 March 2018- Varsity matches at Welford Road. To be refereed by Andrew Forsythe and Louis Massarella.

Saturday 24 March 2018- Curry Night, Venue TBA, seek the permission of your other half now!

Monday 26 March 2018- Members' Meeting at Belgrave RFC.

Friday 20 April 2018- Annual Dinner at Welford Road. See below for more details.

*

Cancelled Games- If your game is cancelled please contact the relevant appointment Secretary to let the Society know. The contact details for Mark Elliott, Kerrel Wills, Louis Massarella and Duncan Chandler are all in the handbook and also on the website.

*

Resources- Tom Brucciani (and previously, Paul MacMillan) has spent a lot of time producing and collating resources for your benefit. Check out and explore the website and you may be surprised! There was a recent discussion on the Society Facebook page about whether or not 'tights' could be worn by underage players. In the end, there was no need for discussion as the answer was on the website the whole time!

Lsrur.co.uk Then Recruitment and Training, and then Training Documents!

A note from Duncan Chandler in relation to the new 4G pitch at Leicester Forest RFC

RFU ARTIFICIAL GRASS PITCH

Leicester Forest RFC

Access the AGP only via the Decontamination Zone. No jumping over the Perimeter Fence.

IRB (Regulation 12) approved boots only to be worn – no Blades or Trainers. Applies to Coaches, Players & Officials

Coaches are responsible for manning the Decontamination Zone and ensuring Boots & Playing kit are checked and completely free of mud – for both home and visiting teams.

No spectators allowed on the AGP within Perimeter Fence .

There are signs at the entrance to the decontamination area that further explain the rules for use of the AGP as stipulated by the RFU.

These rules are there to protect players/coaches and the AGP – please ensure that you are familiar with the conditions of use and comply with them.

Contamination of the pitch with mud, and compacting of the surface by flat soled shoes/trainers will result in the pitch failing to meet the exacting standards laid down for the use of Artificial Grass Pitches for Rugby Union by the IRB and could lead to injuries to players.

Prepared to win

The crowd's well expressed enjoyment of another fascinating contest for The Bowring Bowl is a satisfying confirmation of Bowring's continuing sponsorship of the Varsity Match. Our congratulations to Cambridge.

As in any endeavour, whether sport or business, a commanding performance is only possible with an appropriate level of preparation.

Bowring's investment in both training and the most advanced information and communication systems has contributed to their leadership in international insurance and reinsurance.
