Message from the Secretary

If you issue a red card, please make sure you notify me as soon as is practicable after the match, so I am aware that there has been a sending off. Then make sure you have sent the report through to me within 24 hours of the sending off; as I have to make sure the relevant people receive the report in good time so that any hearing can take place without delay.

It is vital you get the name, and shirt number of the offender!

Any questions please feel free to give me a call.

John Hill

.....

There are four referees who will be receiving their kit (if present) at the monthly members' meeting. Congratulations to Stuart Dingley, Sam Flatt, George Jones, and Barry Morris for completing their 10 games!

Sundays

As we approach the 'business end' of the season, there are a number of busy Sundays ahead with the first one being 26th February.

The annual Oakham School 7s tournament is being held on this date in a new style enlarged format with over 100 games scheduled. The U18 games will be played at the School and the U16s at Oakham RFC with the final rounds for both ages at the School. Therefore, a minimum of 14 referees will be required and thanks to everyone who has already confirmed their availability.

For those who not been previously involved, this tournament attracts the very best of public school 7's teams from all over the country and are of a very high standard, plus free food for referees !!

The first games are due to kick off at 9.30am at both venues and please let me know if you are available to help in the morning or afternoon or all day.

If 7s are not your 'cup of tea', then on the same day there are the normal friendly games plus the possibility of 4 x U17 National Cup games (awaiting confirmation of the draw).

Many thanks for your continued support and as ever, I can be contacted on my mobile 07896 202382 or by email to sunday@lsrur.co.uk.
